

How to use our Online Live Bids?

LOTS LIST

SKIP

LOT skipped due to circumstances.
We will return to this LOT later and resume the sale.

With Correction

This means that there are corrections to the Catalogue.
Click the icon to show the updated information from the list of works on our homepage

※Depending on the device, the screen might directly switched to the information webpage.
You would then need to reconnect to ONLINE LIVE BIDS.

Fair Warning

The auctioneer's hammer will fall soon.
Please hurry if you would like to place a bid.

BID IN ADVANCE

If you have placed a bid in advance, the amount submitted will be shown.
If there is a bid in advance whose amount is the same as yours, the earlier one prevails

LIVE STREAMING

You can enjoy both video and audio.
You may adjust the volume at the lower right, Also, you may click at ON/OFF for choosing to show or not to show the streaming display. There may be a time lag for video and audio according to your usage environment.
You may try to refresh the web page or turn on/off the video display. The latest bid amounts can be confirmed by checking Your Next BID and BID HISTORY LIST.
